

JUNE 2025

EBENEZER RAPALE

NEWS

The highlight of the month of June was another successful Selection Camp at Ebenezer Rapale, to which we welcomed 47 young people from different areas between Nampula and Zambezia. We thank God very much for the health and protection that we all experienced throughout Selection Camp. From our hopeful candidates, we have invited 22 young men and 8 young women to join our Ebenezer Family as new apprentices from the 4th August. We ask for your prayers for these young people as they prepare to join us.

PRODUCTION

This month we have continued with our harvest of tomatoes and cabbage, as well as the transplanting of $\frac{1}{2}$ ha tomatoes and $\frac{1}{2}$ ha of onions.

In broilers production we have entered cycle 34 and so far we are happy with how the cycles are going. We are seeing a satisfying performance across the batches and we can testify that our apprentices understand the need for appropriate care throughout a cycle.

Our layer birds are in week 61 of production and still giving us a great lay-rate of 89%. This gives us cause to rejoice.
